

GWILS LEGAL EXCELLENCE AWARDS 2018

22ND NOVEMBER 2018

SPONSORSHIP OPPORTUNITIES

The GWILS Legal Excellence Awards will be open to hundreds of lawyers across both Gloucestershire & Wiltshire. We have one of the largest geographical reaches of any UK based law society, which encompasses a wide range of towns, including: Cheltenham, Gloucester, Swindon, Salisbury, Chippenham, Devizes and Cirencester to name but a few.

There is a vibrant legal market in Gloucestershire & Wiltshire and we believe that it is only right that the expertise and excellence of this region should be celebrated.

Since our relaunch in January 2016 GWILS has attracted a large number of new members who have re-energised the society and provide a diverse variety of legal services. The event will give attendees the chance, whilst entertaining their firms and/or guests to network with other professionals within the region. We anticipate that the list of attendees will also include Judges, Presidents of other local law societies and professional bodies, including bankers, insurers, STEP, surveyors, agents, legal cashiers as well as many others.

This is our second Legal Excellence Awards and we anticipate building on last year's success to include a greater number of tickets available. During the evening we will have a VIP Q&A session with Matt Perry, who throughout his professional rugby career has represented both Bath and England and has also been a British and Irish Lion. He now plays for the 100 World Legends Rugby Team who support a number of charities including the Doddie Weir Foundation for Motor Neurone Disease. A glamorous black tie event, with a champagne reception, 3 course meal and a fantastic opportunity to celebrate the success of the profession within the region.
