

# The Glos & Wilts Law Society

## Le Mans Challenge #3

Thank you for booking the GWILS Le Mans Challenge.

We are looking forward to meeting you on 10 October. As well as a great multi professional networking opportunity, the scene will be set for an exciting and adrenaline-fuelled karting challenge.

The evening starts at 6pm with a briefing and practice session. After that, our karts will hit the track as we pit our 4-member teams against each other in a 60 minute relay race to see who will emerge victorious.

Come as readymade teams of 4 or individually for expert team pairing. Each driver in the team will then have around 15 minutes of race time in the team's kart, before handing over to the next team member until the 60 minute race reaches its conclusion.

After that, prizes will be awarded and some simple, tasty food will be served a few minutes down the road at [The Neeld Arms](#) in Grittleton SN8 6AP, before we return to public roads and put our new-found skills to the test.

GWILS accepts no responsibility for the driving of its members or their friends!

Booking – Payment in full by close of business on Friday 5 October. Capacity is limited and it's likely to fill up quickly so don't leave it too late.

### Booking & Details

Name .....

Firm .....

Address .....

DX .....

Tel .....

Email .....
