The award winning Company Commercial team in Swindon are looking for clever, enthusiastic, technical experts who are passionate about client care to join their growing team.

A lively bunch, they have a number of roles including those for NQ's to those with more experience at around the 4-5 PQE level. Winning awards including Corporate Deal of the year and Corporate Team of the year at The Insider Awards in recent years we're recognised for the work we do and we want to recruit talent of the future to build on the platform we've got.

Working with high profile clients including household names from day one you will help our clients to meet the needs of their business, now and in the future helping to underpin the growth of their business in the right way.

Working closely with Solicitors, Partners and Senior Partners alike you'll get to develop and nurture the skills through networking, and challenging work that encourages you to think one step ahead.

If you've got experience in contract drafting and reviews, knowledge of the competitive procurement process, outsourcing agreements or IP licensing and you're a self-starter who has gained this experience either through your training contract or through qualified experience we're keen to hear from you.

If you're interested in knowing more, please contact Catherine Sprague to have a confidential discussion about this role, via recruitment@thrings.com.
