

Wills & Probate Solicitor/Legal Executive

Locations North Somerset & Bristol

Firm Wards Solicitors

Hours Full-time

We have excellent opportunities for Wills and Probate Solicitors/FCILEX to join our teams in North Somerset and Bristol.

Full STEP Membership and being a fully accredited member of SFE is desirable but not essential as we will support training.

The North Somerset role would suit someone with 3 years + PQE who is able to work independently but within a friendly and supportive team and firm.

You must have a range of experience advising private clients about Wills, probate, wealth preservation and succession planning.

The Bristol based role would suit someone more junior looking for their next career move in private client law.

Excellent salary and benefits on offer for both roles plus the ability to work flexibly.
